

Link Innovations Designated Copyright Representative: –

The *Copyright Act* 1968 and the *Copyright Regulations* 1969 ('the Regulations') limit the remedies available against carriage service providers for infringements of copyright in relation to the carrying out of certain online activities by carriage service providers.

In accordance with r. 20C of the Regulations, Link Innovations designates the person named below as its designated representative. This person shall receive notifications and notices issued under the "Safe Harbour Scheme" in relation to all activities carried out by Link Innovations as a carriage service provider.
